## GOSPEL SEEDS

"Not only do the oppressed lose nothing when people of conscience boycott institutions that are persistently complicit in the system of oppression; in fact, they gain enormously from the ultimate weakening of this complicity that an effective and sustained boycott leads to."

Omar Barghouti, *The Global Struggle for Palestinian Rights* 

In 2016 I was first introduced to the work and witness of Omar Barghouti, a powerful and polarizing figure in the global movement for justice in Palestine. Omar's commitment to a well-coordinated boycott movement—targeting companies profiting from Israel's occupation of the West Bank and its war on Gaza—has galvanized activists around the world. In 2015, our own United Church of Christ joined the movement, committing to divestment from four companies (including HP and Motorola) most brazenly complicit in the occupation itself.

Three years later, the New England Network for Justice in Palestine (NENJP) is inviting UCC allies and others to a protest at Elbit Systems of America, in Merrimack, on Friday, December 6. This N.H.-based company is a U.S. subsidiary of Elbit International, located in Haifa, Israel, and Israeli's largest weapons manufacturer and security provider. The message of such a protest is simple: Companies making huge profits on the misery of oppressed minorities are unethical, immoral and not worthy of our investment or business.

It turns out that Elbit is involved not only in border control and repression in Palestine but in surveillance and militarization along the Rio Grande River on our own continent. These technologies effective "seal" migrant crossing routes—through a grim policy called "Prevention Through Deterrence"—forcing migrants into the deadly desert as their only path to safety. You might remember the terrible story (and photograph) of Oscar Alberto Martinez and his 23-month-old daughter (Angie Valeria) who lost their lives in the Rio Grande while on that dangerous journey from El Salvador to the U.S.

Similarly, at Israeli checkpoints, Elbit's technologies serve to intimidate Palestinian fathers seeking medical care for their children, women experiencing labor, and elders simply looking for a good job. Such is the intimidation that stokes the fire of conflict, sows seeds of anger and resentment, and stands in the way of meaningful justice and peace for Israelis and Palestinians alike.

I cherish the commitments of our United Church of Christ: to speak out on injustice; but, more urgently, to act up and insist on new patterns of moral conviction and peacemaking. In this particular case, our action makes a critical connection between the oppression of Palestinians in the Holy Land and the vicious targeting of migrants on our own continent. It's all of a piece. And we call on international companies like Elbit to cease in their profiting off the misery and violence at our borders.

I'm eager to represent these values—and my own radical discipleship—at the protest on December 6 in Merrimack. I do so as a Christian, and as a disciple dedicated to nonviolence and lovingkindness in all things. If

you'd like to join me that morning, we'll leave the Community Church parking lot at 10 am, returning to Durham by 3 or so. Just drop me an email (or give me a call) to let me know you'd like to stand with me.

To read up on the UCC's prophetic stance, follow this link: <u>https://www.wrmea.org/015-</u> <u>september/</u>

As always, I give thanks for your faith, and for your courage!

Yours in Christ,

Dave Grishaw-Jones DavidGJ@CCDurham.org

## The Giving Tree

Imagine Christmas without gifts or enough food to provide a holiday dinner. This is a reality for many in our community,. For families who find life a struggle it is difficult to afford even the basic necessities, things most of us take for granted. The need for help is great.

The Community Church of Durham has the cherished Advent tradition of The Giving Tree. The Giving Tree provides us with an opportunity to help in a tangible way by purchasing a gift that will be given directly to an individual or a family. Gift requests range from basics such as a pair of socks or gloves, to household items like sheets and towels or a gift certificate to a grocery store, gas station or pharmacy.

Gift requests come from four local organizations our church supports: Haven, providing support and services to those struggling with domestic and/or sexual violence. Cross Roads House, providing shelter to the homeless, My Friends Place, providing shelter and transitional housing to families, and City Reach **Boston** an urban outreach program and street ministry to the homeless. In addition, there are stars to support the **Minister's** Discretionary Fund. This fund allows Pastor Dave the opportunity to help community and church members who are in need.

Located at the front of the church, The Giving Tree will brighten the Sanctuary with its lights and colorful stars. Each star is color coded by organization and has a gift request on it. You are invited to take a star (or stars) and purchase the requested item(s). Please return the unwrapped gift to the church office, with the star attached, no later than Tuesday, December 17th. For gift cards, it is important to note the dollar amount on the card.

Thank you for your generosity, caring and willingness to shine a light into the dark places in our community.

The Giving Tree Team: Brenda Sargent, Donna Simpson and Carla Wilson

We really need donations of multiple food items!!!

The Cornucopia Food Pantry is committed to providing food to whomever needs it, and to do so with compassion, kindness, respect, dignity and love. We believe in a world of abundance, and where neighbor helping neighbor is the rule, not the exception.

Join The **Sunday Morning Bible Discussion Group at 9:00 am** in the church parlor. The discussions are based on the Revised Common Lectionary readings, which are used by several denominations. These passages are usually used in the worship service which follows, and are often the basis of the sermons. There are no Bible scholars in the group, but all benefit from the perspectives brought to the discussion. Experience the surprise in finding the ways in which these passages bring helpful perspectives to our lives today – our

personal lives, as well as our families, communities and beyond.

## TUESDAY MORNING STUDY GROUP

This semester the Tuesday Morning Study Group (TMSG) will discuss the book *The Color of Compromise: the Truth about the American Church's Complicity in Racism*, by Jemar Tisby. The reading is easy but the ideas challenge our assumptions and what we have been taught in the past. All are invited to contribute your point of view. We will meet on Tuesdays in the church parlor, 10 - 11:30 AM, October 15 - November 19. Books can be ordered by the church office. If you have questions, please call Marion Ellis, 659-1123.

## THIS BUILDING IS SHOWING ITS AGE!

Those were the words of a recent contractor who was working on a plumbing crisis here at the church. The words gave me pause. As many of you know, I wear two hats here at the church. For the last five years I have been the business administrator, but for 45 years I have also been a member. As a member, one of the things that has always impressed me was that this is truly The Community Church. Its history is intertwined with the town and its iconic steeple is the focal point of the Historic District. This church has hosted concerts; we have held many memorial services for non-church members; the Scouts have met here for almost 100 years; blood drives are held here; and at one point the town of Durham even used this facility as the voting site while the high school was under renovation. Our sanctuary is the second largest gathering place in the town AND we have parking! We are proud that the community feels that we welcome them.

Now I will put on my business administrator hat. We spend over \$1200 a day to support our mission

and programs. This pays for worship services, our church school and youth programs, the music program, the mission work of the church, as well as staff salaries and institutional support such as utilities, insurance, business equipment, and building maintenance. Just like most of your homes, our costs go up each year. As you think about making a pledge for this year or setting up a giving plan, I urge you, if you have never done this before, to consider setting up an online giving plan. You can visit our website http://ccdurham.org and click on the Donate Online button and you will be directed to the "Breeze" page where you can donate by credit/debit card or select an ACH transfer. You can also set the plan to donate once or on a recurring basis. Your gifts make a huge difference in our ability to ensure that the Community Church will continue to be THE Community Church! Thank you and let me know if you need any assistance.

# VETERANS DAY 2019 WILL BE OBSERVED DURING WORSHIP ON NOVEMBER 10TH - OVER 81,000 STILL MISSING

Monday, November 11th is the 101th anniversary of the 11 AM signing of the 1918 Armistice at Compiegne, France, halting the horrific World War I hostilities between the Allied nations and Germany.

**World War I.** While other nations also had huge war losses, over 4 million Americans served in the US Army 1916-1918, half overseas; 100,000 Americans died. None survive today (National Archives).

**World War II.** Between 1941-1945 the US mobilized 16,112,566 military men and women; 405,399 perished and 670,846 were wounded (Wikipedia), 70% served overseas. Today, 496,777 are alive, most in their late 80s and 90s. In October 2019, the Department of Defense (DOD) reported that 72,687 are still missing. The Department of Veterans Affairs (VA) reported in September that 348 veterans pass daily.

North Korea invaded South Korea June 25, 1950. By war's cessation in July 1953, over 6 million American service men and women had been engaged; 54,246 died and 103,284 were wounded.

In December 2018, 7,675 US service members remained unaccounted for. Last year, the remains of 55 were returned, 27 have been identified (ABC 10/04/2019). DOD notes 2,275,000 veterans are still living. Wars in Vietnam (1964-1975), the<br/>Persian Gulf (90-91),will set a "Missing Veteran Table"<br/>on the landing in Fellowship Hall<br/>with the following elements: A<br/>small round table set for one to<br/>symbolize the isolation of the<br/>absent service member and<br/>represent the abiding concern

multiple tours; 64,675 were killed, 262,651 wounded and 1,739 are missing (DOD 10/04/2019).

Just over 23.25 million US veterans are alive today, yet twenty (20) are committing suicide every day (VA). As of February 2019, 2.90 million US men and women were serving in today's active, reserve and civilian military services with 1,219,510 men and 210,4853 women around the globe (DOD and VA). In 2019 the US is spending \$693 billion on its military services, 36 % of the world's military expenditures.

#### More than 81,000 are still

**missing.** In October 2019 the US DOD POW/MIA Accounting Agency reported "more than" 81,000 Americans remain missing from WWII and subsequent wars, with 41,000 presumed lost at sea, most in the Indo Pacific. On November 10th the Memorial Garden Trustees

on the landing in Fellowship Hall with the following elements: A small round table set for one to symbolize the isolation of the absent service member and represent the abiding concern survivors have for the missing. It will have a white tablecloth, a single rose, a red ribbon, and a slice of lemon on the bread plate to represent the bitter fate of the missing. Salt will be sprinkled on the bread plate to symbolize the tears shed by waiting families. An inverted glass will represent the fact that the missing and fallen cannot partake. A Bible and a lit candle will represent spiritual strengthen and hope. An empty chair will represent the absence of the missing and fallen.

During Worship on November 10th, Community Church will thank those who serve and have served in the military whenever and wherever they serve(d), thank their families and remember those who are missing. The Trustees also invite the congregation for Fellowship immediately following worship to write the name of veterans known to be missing in the logbook and

talk about the Memorial Garden.

If you would like more information about the church's 26-year old Memorial Garden, please contact Dianne Thompson at <u>DianneT@CCDurham.org</u> or (603) 868-1230.

11/6: BOOK DISCUSSION Wednesday 6pm at the Durham Public Library. As a botanist, Robin Wall Kimmerer, author of *Braiding Sweetgrass: Indigenous* Wisdom, Scientific Knowledge, and the Teachings of Plants, has been trained to ask questions of nature with the tools of science. As a member of the Potawatomi Nation, she embraces the notion that plants and animals are our oldest teachers. In Braiding Sweetgrass, Kimmerer brings these lenses of knowledge together to show that the awakening of a wider ecological consciousness requires the acknowledgment and celebration of our reciprocal relationship with the rest of the living world. Books are available from the Durham Public Library. Kathleen Blake will represent the NH Commission on Native American Affairs, and Jennifer Lee will lead the discussion.

11/7: FILMS Dawnland. Documentary. Thursday, 6pm at the Durham Public Library. For most of the 20th century, government agents systematically forced Native American children from their homes and placed them with white families. Many children experienced devastating emotional and physical harm by adults who mistreated them and tried to erase their cultural identity. The State of Maine initiated the first government-sanctioned truth and reconciliation commission (TRC) in the United States. For over two years, Native and non-Native commissioners traveled across Maine gathering testimony and bearing witness to the devastating impact of the state's child welfare practices on Wabanaki families. This feature-length documentary DAWNLAND follows the TRC to contemporary Wabanaki communities to witness intimate, sacred moments of truth-telling and healing. With exclusive access to this groundbreaking process

and never-before-seen footage, the film reveals the untold narrative of Indigenous child removal in the United States.

#### 11/11: PODCHATS

Episode 8: *Native Fashion and Bonus Episode – Sacred is Sacred.* Drop in for a discussion on Monday at 4:30pm at the Freedom Café.

Markham as "the most important document in the whole range of the history of geographical discovery, because it is a record of the enterprise which changed the whole face, not only of that history, but of the history of mankind." What do we celebrate when we celebrate Columbus Day? What does it mean when we transform Columbus Day into a celebration of Indigenous Peoples? The journals of Columbus give us a complex view of the first encounter between European civilization and the indigenous cultures across the Atlantic.

#### **NEWS FROM MARY AND JILL**

Former Pastor Mary Westfall has taken a new position as Transitional Presbyter with the Sacramento, CA Presbytery.

Beginning November 1st, Jill Small will serve as the interim senior pastor of the Bath Church UCC, but it's not the Bath in Maine: it's Bath, Ohio! The 900-member congregation in suburban Akron has a wonderful staff and a building that's reminiscent of CCD. She and Charles will relocate for the two-year interim season while Becca tends the home front in Maine.

Let's keep Mary and Jill in our thoughts and prayers as they enter new chapters of their lives.

#### The Men's Fellowship

**Group** typically meets on the 1st and 3rd Thursdays of the month at 8:00am in the Church Library.

#### **Helping with Coffee Hour**

Just as it takes a Village to raise a child, so too it takes an entire Congregation to share in the joy of providing delicious and welcoming Coffee Hours each Sunday. But to many, hosting an entire Coffee Hour

is daunting. So, we are offering two simple ways to help:

1) Be a Coffee Hour Mentor – show Coffee Hour hosts how it's done!

2) Be a Coffee Hour Food Donor – bring a plate of food (of your choosing) to Coffee Hour when asked (if you are able and willing to do so). Please click on the following link to signup for one or both of the above options: <u>Easy Ways to Help with Coffee Hour</u>

Note: If you don't want to sign up online with the above link, please email Ruth Davis at <u>ruth.davisnh@gmail.com</u> and she will sign you up.

#### THANK YOU!

A basket highlighting food from a favorite country, a favorite event like a football tailgate party, a spa basket with beauty items, etc. Contact a local business or restaurant and ask for a donation of some kind that could be auctioned. #### **Christmas Fair Silent Auction and Raffle!!**

The Christmas Fair silent auction and raffle are a vibrant and fun part of day's festivities. Your help is needed to continue this tradition!! By donating an item or service of value, you will be helping to raise important income that supports the programs and activities of OUR church.

Creativity and fun underscores our efforts! Consider the fellowship of pooling money together with your pew mates and neighbors or choir friends to contribute a gift certificate to a local restaurant. Wouldn't it be fun to bid on a spa package, movie or theater tickets? Wouldn't it be fun to bid on cooking lessons, or a bake good every month? A weekend away at a summer cottage would be a treat for anyone!

Here are some other ideas and suggestions  $\sim$ 

#### <u>Items</u>

Prepared Foods (spaghetti sauce, tortes, etc.) Gift Certificates and Tickets (for restaurants, local merchants, and events) Knitted Goods (sweaters, scarves, etc.) Craft Items and Antiques (quilts, pottery, jewelry, etc.) Children's Items (including inexpensive items that children can buy or bid on)

Themed Baskets of items such as books, tickets, food items, gift certificates, etc.

#### <u>Services</u>

Lessons (computer, piano, guitar lessons, etc.) Sharing a special talent (music, etc.)

Child Care (baby-sit, mother's helper) Lawn and Garden Care (mowing, weeding, clean up)

Snow Removal (shovel walk, plow driveway)

Time at a summer camp or timeshare

Prepared Meals (a small dinner/lunch or dessert, delivered, etc.)

#### HOW TO MAKE A DONATION

Please complete the attached form and return it no later than Wednesday, December 4. Bring you item(s) to Fellowship Hall on Thursday, December 5th before 4:00 pm *or* Friday, December 6<sup>th</sup> by 7 pm , If you donate a service or an item you cannot bring to the auction (size, nature), please describe it as completely as you can on the form and return the form to us as soon as possible. Photographs or images are helpful.

#### HOW THE AUCTION WORKS

Come on Fair Day, bring your friends and family and bid (often!) on auction and raffle items and services! Bidding closes at 2:00 p.m. Successful bidders can pick up most items at the auction tables at the same time, unless other arrangements are made. Successful bidders for services and any donated items which cannot be brought to the Fair will receive certificates. The certificate for the service or item will contain the donor's name and telephone number, so that the donor and the successful bidder can plan for delivery.

We welcome your suggestions and ideas! Volunteers to help are also needed. Feel free to contact Maggie Morrison <u>mgemorrison@comcast.net</u> or phone 659-6355.

See you on Saturday, December 7<sup>th</sup>!
